

COMMISSIONER HAT PROGRAM

Requirements

- Be registered as a commissioner in the Circle Ten Council. This can be either a primary or a multiple registration.
- Be trained as a commissioner.
- Log a contact for each of your assigned units into the Commissioner Tools.

To Order a Hat, the district commissioner will need to provide the following information for each commissioner who qualifies:

- Commissioner's Name (spelled as it should be embroidered)
- Their commissioner position and district.
- A preferred "Need By Date". Please note production does take time with the vendor and we try to reach a certain number of hats prior to ordering. This helps keep the cost per hat to reasonable amount.
- Enter this information at
