

# COPE Facilitator Training

**Date:** Friday, March 17 - Sunday, March 19

**Time:** 5:00 p.m. on Friday - 5:00 p.m. on Sunday

(attendance is required for the entire weekend to be certification eligible)

**Location:** Roy & Frances Rea COPE Center at Camp Trevor Rees-Jones in Athens, TX

In order to become a full facilitator you must serve as a Facilitator In Training (FIT) on three council cope courses. Only then are you a certified COPE Facilitator. Did we mention once you are certified – you can become a paid facilitator for the Council? Or you can use your Facilitator compensation and put it toward the total cost of your units own COPE Experience!

**Cost for the Course is \$75 and meals starting Saturday morning are provided.**

Training will be provided on COPE Purpose, Standards and methods, and both low course and high course elements. The program includes actual participation in the elements as well as a hands-on training experience (have fun like your Scouts for a couple of days).

**Class size: Minimum of 8, maximum of 16 students.**

This will be an opportunity for Adults, Scouts age 16 and older and Venturers of any age to get trained in the BSA Project COPE. Those over 18 can earn Instructor Level 1 certification, while those not yet 18 can become a Facilitator in Training (FIT). This is a great course for those that are interested in becoming a part of the Circle 10 COPE staff. The goal for this course is to ensure that you can safely and effectively facilitate a COPE course under the direction of a trained National Camp School Director or a council trained Level 2 Instructor at either the Trevor Rees-Jones or Camp Wisdom COPE Courses.

**CIRCLE TEN COUNCIL**
