CampMaster Registration for the 2018 University of Scouting 20

Appendix..... 21

Welcome to the Circle Ten Council University of Scouting!

On behalf of Circle Ten Council and the 2018 University of Scouting team, I welcome you to this year's ultimate Scouting training event at Southern Methodist University in Dallas, Texas.

We are pleased to once again host our event at Southern Methodist University this year and are very fortunate to have access to an exceptional facility. I want to thank the staff and administration of the various facilities of Southern Methodist University who have spent many hours working with us and have been gracious in their assistance to our staff.

Inside this Program Overview, you will find registration information, course fee schedule, College Catalogs, parking information, and some other helpful information. Please use the College Catalogs to make your course selections before beginning your online CampMaster registration process. All of the information you need should be found in this Program Overview. However, please keep checking the website for updates which may occur up to the day of the event.

This is the largest single training event for adults and select youth leaders in Circle Ten Council! In addition, you'll have the opportunity to meet and share ideas with other like-minded friends of scouting throughout the area. This document has all the information you need to plan your day and to be prepared. Should you still have any questions please feel free to contact me by sending email to Jimmy@GreenwoodJr.com.

We are always trying to improve your experience, and this year we have added new courses in each of the colleges. We hope you take advantage of them and learn more about what it means to be a leader in one of those great areas of scouting. Please, help us continue to improve by providing constructive feedback as well as new course ideas. Those can be sent to Jimmy@GreenwoodJr.com.

We encourage you to use your time between classes for networking with old friends, to make new friends and to enjoy a great lunch. Our Midway this year is planned to be our biggest and best ever, to be held in a large tent easily accessible from any of your courses. Please visit the many Scout-friendly vendors who have given their Saturday to provide you with exposure to new tools and ideas for improving your Scouting unit.

Of course, we could not do this without the exceptional dedication and support of many volunteers. From instructors to the administrative staff, I thank you for your efforts to make this a spectacular event. I also thank those who came before me and put together a great program. Their efforts coupled with ideas from other University of Scouting program across the BSA make for a great training opportunity!

Participant check-in and walk-up registration begins at 7:00am. As you might imagine, with over 900 expected participants, lines can become quite long and rooms crowded. Please don't wait until the last minute to check-in and register. You MUST check in at the registration hall regardless whether you have pre-registered or not. Building and Rooms will change up to the day of the event, so please visit the web site for the latest information.

On behalf of the youth in Circle Ten – a sincere **THANK YOU** for joining us! By your registration you have indicated your dedication to the principle that every Scout deserves a trained leader.

Registering for the University of Scouting

Class sizes are limited so please register early to ensure your spot in the courses you wish to take. Although we will do our best to accommodate all registrations, due to instructor availability, class limitations and circumstances beyond our control we may find it necessary to reschedule or cancel a class. On-line registration is available only through **CampMaster**, and will run from the end of October through December 10, 2017. After this date, on-line registration will not be available, but you will be able to do walk-in registration for classes that are still available. Additional instructions for the use of **CampMaster** are available starting on page 23 of this Program Overview.

Walk-in registration is the day of the event and is required if you did not pre-register. **All day courses may not be available for walk-in selection.** Walk-ins will receive course assignments based on availability of classroom space, instructors and time. Lunch and the commemorative patch will be available based on the number of pre-registered participants. Due to time constraints, walk-in registrants may be unable to complete registration in time to attend a course scheduled for the first period. In other words, **we strongly encourage you to use on-line registration** to have the best opportunity to get into the classes you wish. Please follow the signs on campus to direct you to the registration location.

>>>> **PLEASE NOTE: Pre-registration will not be available after December 10, 2017** <<<<

*****Registration does not constitute check-in. You will need to check-in on the day of the event.*****

Registration Fee

Online registration will be available up to December 10, 2017. This year the cost is \$30 for all who register online. After December 10, 2017 registration will close and only walk-in registration will be available. **Some courses may close during online registration due to classroom limitations.** Which means many of the leader specific courses may not be available for walk-in registrants. Walk-in registration is \$45 regardless of the number of classes taken or if lunch is desired. This per person fee includes attendance to all courses, lunch, commemorative patch, course handouts, facility expenses and covers liability insurance recovery and administrative costs. Please pre-register and save money!

Basic Schedule

The University of Scouting will run from 7:00am until 5:00pm. Walk-in registration will begin at 7:00am and schedule updates will be posted. Each participant will receive a personalized schedule of classes. Classes are 60 minutes in duration with 15 minutes between classes and begin at 8:30am. Each lunch period is 60 minutes. Your schedule will have 7 session periods available. Depending on the courses you select and your decision to take lunch or not will determine how many courses you will be able to take. Before you begin your actual registration in CampMaster, please review the various college offering and determine which courses in which college you wish to take.

If you do not have a CampMaster Account, you will need to get one before you register!! It is free. All you need is an active email address. When you first go to the CampMaster home page, it will walk you through the process of setting up an account.

Once you have your account, you may now register for the University of Scouting. If you need additional assistance, go to page 23 of this document. If you are registering for other individuals, you will need to have their CampMaster account or create one on their behalf.

After you register, you may come back into your Camp Master account and change your course selections up to December 10, 2017. After that, you will **not** be able to do online registration or make changes to your schedule. Any modifications will need to occur during the day of the event at the different College's tables after you have checked-in.

Location, Facilities and Parking

The Circle Ten Council University of Scouting will be held at Southern Methodist University in Dallas, Texas. Specifically, our classes will be located near Dallas Hall, or the Simmons buildings on the north side of campus. Other buildings may be used as needed. Detailed maps (see Appendix for the current one), driving directions and diagrams of the campus may be found on the SMU website at the following address: <http://www.smu.edu/maps>.

Handicap Parking will be available upon request. Please notify the Chancellor or Facilities Vice-Chancellor of your need. Special instructions will be sent to you.

An email will be sent to all participants during the week prior to the event providing parking information and other campus activities which might impact our day. If you have any questions, please contact the Chancellor at Jimmy@GreenwoodJr.com. Please be mindful and considerate of the surroundings. Each classroom should be accessible; however, access to elevators may be limited. There should be sufficient time to move between buildings for your class changes. Directions and schedules will be in your check-in packet. Please send an email to the Facilities Director (facilities@c10univ.org) if you have a special medical or accessibility requirement. We have done our best to minimize travel times.

CHECK-IN, Materials Pickup and Walk-in Registration Location

We will have registration once again in the MAC hall above the Cafeteria. All participants and staff will need to check in at this "Check-In and Registration" location. Final instructions will be sent out regarding registration and parking information the week of the event. Participants will need to pick up a materials packet during this check-in process. You may not attend a class without registering. The Registration Hall will have staff on hand throughout the day to assist you with any questions.

Lunch

Due to the number of participants, lunch will be provided during two periods, 11:00-12:00 and 12:15 to 1:15. Upon check-in you will receive a handout which contains your lunch ticket. Please turn in your lunch ticket at one of the locations within the cafeteria to receive your lunch. Walk-in registrants will receive a lunch ticket on a first come first served basis as long as they last.

Classes which run through both lunch periods will have a predetermined arrangement for a lunch. Some classes may have boxed lunches served in the room and your instructor will inform you as to which approach will be used.

If you see a group of box lunches, please do not take a one of the box lunches. **You will be taking away someone else's lunch.** If you choose to take independent classes during the two lunch periods you will need to bring your own lunch. **No Box Lunch will be available except for select courses which will not be available for walk-in registration.**

Although SMU typically provides a variety of foods to meet today's student demands, special dietary needs may not be met; therefore, please bring your own lunch if your diet restrictions are not normally met in cafeteria style restaurants. Due to the size of our event and the logistics involved we cannot accommodate specialized menus or food orders. Partial refunds are not available if you decide to bring your own meal. If you choose to take classes during the lunch break offering and are not attending a seven hour class, we suggest you bring your lunch.

University Midway

Our Midway this year should be our biggest and best ever. Please visit the many vendors who are there to make your life as a Scout leader easier. The location should be easy to find, as it will be in a huge tent on the main mall of the SMU campus. As with everything, please provide us with ideas for vendors for future Universities of Scouting.

Philmont Lottery Drawing

Drawing for Philmont treks will be held at noon (12:00 PM) in the Mac Ballroom, where registration/check-in will be held. All interested Troop, Crew or Ship leaders should attend.

Guests and or Accompanied Children?

Guests are not allowed. All who attend the University of Scouting must register as a participant, instructor or attend as an invited guest of the Chancellor. There are no accommodations for babysitting, day care or other means to look after children. As a courtesy to other attendees and to prevent any disruptions, children are not permitted to attend the event even if accompanied by a parent or guardian. The only exceptions to this rule are those youth Scouts (14 years of age or older) who have registered for one of the youth-eligible classes: Trainer’s Edge, Venturing Academy or Senior Patrol Leader Academy. **SMU is now requiring a parental consent form to be provided for participants under 18. Instructors will be contacting attendees to provide and bring the completed form with them to check-in. Under 18 will not be allowed to stay without the parental consent form completed and signed.**

Your Personal Schedule

Before you begin the registration process, take a moment to plan your options. Please use the table below to help you with this process. You may then use this to assist you as you register online. Be sure to review classes in ALL COLLEGES! We have moved several classes from different programs into the College of General Studies in addition to adding new classes in each College. Although lunch is not required, we do offer two opportunities to have lunch. Please note: your fee entitles you to only one lunch and you will need to schedule which lunch you prefer.

Once you are ready, go to [CampMaster](#), sign into your account, and proceed with registering for the University of Scouting 2018. If you don’t have an account you can easily create one. See page 23 for guidance.

Suggested Courses by Need or Experience

In trying to help those who are new or those who have been there done that or those looking for specific training, we have structured the course numbers to provide a guide as to when you might want to consider the course. For instance, first year leaders should look at the courses in the 100-200 range. This applies to all colleges except for the Commissioner College. The Commissioner College has a pre-set course offering designed by the National office which steers participants to specific “degrees” within that College. Only the Commissioner College offers degree programs as designated by the Boy Scouts of America national office.

The Commissioner College has also redefined and grouped their course offerings to help with course selections. Please see their section later in this document.

In many instances there will be more classes offered than available hours in the day. Again, this is a suggestion of classes based around a common theme and one is free to choose any (or none) of the classes in a track. There is nothing to prevent you from taking classes in or out of a track nor even across different tracks.

As a reminder, each class is hosted by a University of Scouting college. However, except for the Commissioner College where specific degrees are offered, you do not have to be involved at any specific level to take any specific course. Although we hope all classes will always be available, it's possible a class or two might become full. Check the schedule closely as some are offered at multiple times.

Class Offerings and Time Grids

The following are the class offerings by College with a brief course description following the grid. Please use this to determine the class and time you would like to attend and apply for that session at that time. Please note that the name will determine the College, the class number and the session offered (CUB101.1 versus CUB101.2).

Each College is identified by the first three letters:

Cub Scouts	CUB
Boy Scouts	BOY
Venturing	VEN
Commissioners	ACS, BCS, MCS, DCS, CED
General Studies	GEN

Please pay close attention to the numbering scheme of each course. As you look at the different courses, we have made an attempt to identify courses we believe the first year, second year and more experience leader may want to take by revising our numbering scheme. Courses which are 1XX, should be considered by first and second year leaders. Courses which are 2XX are suggested to leaders who have completed their position specific training and need more information which would be helpful to their role. Courses which are 3XX are more for the leaders who have been in their role for some time and are looking for more knowledge. When you look at the course and it says 1xx.1 and there is another 1xx.2, these are separate offerings at different times.

Always remember the General Studies College as it contains courses which are applicable across most if not all types of Units.

Only the Commissioner College, which confers degrees based upon a nationally prescribed curriculum, contains multiple designations:

Lunch & Learn	ACS
Bachelors	BCS
Masters	MCS
Doctorate	DCS
Continuing Education	CED

Regardless of role, you may take any course during the University of Scouting program so long as space is available.

Course Descriptions

- CUB101 CUB Leader Specific Training:** The main course to be considered “trained” for the Cub Scout program. The instructor-led version of Position-Specific Training is the BSA preferred method of training over the online version.
- CUB120 Role of the Pack Trainer:** Learn the duties and responsibilities required of the Pack Trainer (registered position) and how he or she can help the pack grow!
- CUB130 BALOO:** Basic Adult Leader Outdoor Orientation for Cub Scout leaders is a one-day training event that introduces participants to the skills needed to plan and conduct Pack outdoor activities, particularly pack camping. This training is required for any adult who is in charge of planning a pack campout, and it is required that at least one adult per pack complete BALOO training in order to comply with BSA requirements.
- CUB140 Tips for a Great Pack:** Come hear from an experienced Cub Scouter who has "been there, done that" to learn what you can do (and what not to do) to create a great pack. This includes topics such as encouraging boys to wear their uniforms properly, ensure parent participation, encourage recruiting and retention in your pack, and how to develop and retain trained leaders.
- CUB150 Ceremonies:** Great ceremonies that are motivational and dramatic. Keeping your ceremonies jazzed adds to the excitement and fun for everyone!
- CUB160 Games:** Indoor, outdoor, fast, slow, physical and mental. Let the games begin!
- CUB162 Getting Parents Involved:** How to recruit, train and retain adults in your unit.
- CUB201 Strictly For Cubmasters:** This full day class offers everything Cubmasters and prospective Cubmasters ever wanted to know about their responsibilities, including delivering a quality pack program, the charter renewal process, WEBELOS-to-Scout transition, conducting the pack meeting, practical ideas for ceremonies and keeping the pack program energized. Completion of the online Cubmaster course is a required prerequisite to this course to receive credit for Position Specific Training and receive the "Trained" patch.
- CUB210 Basic Outdoor Cooking:** Who says Cubs can't cook outdoors? You don't have to eat just hot dogs! This is a hands-on outdoor class. See it, do it, eat it, and take the ideas back to your den.
- CUB211 Intermediate Outdoor Cooking:** Who says Cubs can't cook outdoors? This is one step above the basics and for those who want just a bit more. This is a hands-on outdoor class. See it, do it, eat it, and take the ideas back to your den.
- CUB215 Crafts You Can Eat:** Make a craft, have fun, and eat it? You know boys will love what you learn in this class!

- CUB220 Planning FUN & Effective Pack Meetings:** Every pack has a different personality and style. We will talk about the basics of developing your Pack's personality. Pack meeting planning will be covered, along with some of the variants you may want to include in your meetings. We will also be covering ideas on how to get other adults and the cubs involved in planning and executing the meeting.
- CUB222 Blue and Gold Ceremonies:** How to have the best Cub Scout birthday ever with themes, decorations, ceremonies and more! This class covers planning, organizing, and presentation.
- CUB225 Cub Magic:** Come learn some basic illusions and tricks to delight and awe your Scouts and families. At the end of the class, you will be ready to successfully perform 2-3 magic tricks. No prior experience is needed.
- CUB230 Campfire Program:** Planning the campfire itinerary; incorporating the 4 S's for a successful campfire – Songs, Stunts, Stories, and Showmanship; and campfire safety.
- CUB232 Planning Great Campouts:** Feel overwhelmed about planning a campout for a whole pack? We will make it easy, and break it down into steps for you to follow. Your campout may just be your den's or pack's favorite part of Cub Scouting!
- CUB234 Let's Race! Derbies and Regattas:** Plan 'em, build 'em, run 'em, score 'em and make 'em a super addition to your Cub Scout program.
- CUB236 Whittlin' Chip:** Be Whittlin' Chip trained so you can teach Cub Scouts and WEBELOS Scouts how to use and care for their pocket knives. You will need to bring your own pocket knife to this course.
- CUB240 Knots for Cubs:** Don't know a sheepshank from a granny knot? Come and see how easy it is to learn (and teach) knots that Cubs can use.
- CUB242 Leatherworking:** Learn the basics of stamping and tooling with simple projects just for Cub Scouts.
- CUB250 Special Awards:** There are many "Special" Awards available to Cub Scouts that are beyond the handbook – Texas badge, recruiter strip, helmet safety badge, Greater Dallas area historical patch, interpreter strips, and much, much more!
- CUB260 Making the Most Out of Your Meeting Time:** Incorporate awards, STEM and more into meetings you are doing anyway. How to work with different rank boys and help each of them earn requirements at the same time.
- CUB270 Pack Finances:** Learn how to address the unique needs of Cub Scout finance.
- CUB280 Recruiting and Join Scouting Night:** Successful packs make recruiting new Cubs a year round process. Learn how to recruit all year long and to make the most out of your recruiting events.
- CUB301 Cub Scout Chemistry:** Don't be afraid of flunking this chemistry class! This is fun science at its best and easiest.
- CUB310 Cub Scout Retention Toolbox:** The Cub Scout Retention Toolbox is not a physical toolbox. It is an execution of year-round Cub Scout retention strategies. The primary takeaway is a set of tools, or ideas, that should help you increase retention in Cub Scouting in your service area.
- CUB330 WEBELOS Pacing and Transitions:** Guidelines and timeframes to help you design a well-balanced, goal-oriented schedule to earn the WEBELOS badge and Arrow of Light. We'll also discuss troop visitations and other ways to get insight into troop programs & styles, how to pick a troop, preparing for changes in meeting formats, typical questions and more.
- CUB340 Crafts for WEBELOS:** Intriguing crafts that help WEBELOS earn their adventure pins.
- CUB360 Outings and Hikes:** Where to go, what to do, and how to do it. Boys like to get outside. Take them!
- CUB380 STEMtastic:** Learn how to incorporate STEM into your weekly meetings in simple and fun ways.
- CUB395 Circle Ten Camp Surprise:** Learn what the Circle Ten camps offer today and how to access those offerings.

Course Descriptions

- BOY101 SM/ASM Leader Specific Training:** Required leader-specific training for all adults with SM/ASM positions.
- BOY103 Scouting's Most Powerful Minute:** This class is for everyone who wants to understand the power of the Scoutmaster minute. Learn how to make this minute work for you and your troop.
- BOY104 WEBELOS-to-Scout Transition:** This session will help Scouters know what is involved with graduating WEBELOS into the Boy Scout program. Whether you are a Cub Scout leader, Boy Scout leader or a member of a committee, you need to know your role regarding this time in a boy's life.
- BOY105 Troop Choices:** Choosing a troop can be not only the first Boy Scout decision but can also be the most important decision in defining their future Scouting success. Not every Troop is right for every boy. The size, the program, and the style of leadership all have an effect on the choice.
- BOY106 Easy Planning for Effective Meetings:** Discuss the elements for planning the Troop's annual program. The session will encourage the timely evaluation of all activities using the weekly and monthly Patrol Leader's Council meetings.
- BOY107 Basic Knots and Lashings:** Learn how to tie basic knots, whip and fuse rope ends and make splices.
- BOY108 Cooking from A to Z:** Learn about menus, stoves, utensil-less cooking, trail cooking, Dutch ovens and clean up.
- BOY110 Climb on Safely** Climb on Safely is the Boy Scouts of America's recommended procedure for organizing BSA Unit Climbing/Rappelling activities at a natural rock site or a specifically designed facility such as a Climbing Wall, Climbing

Tower or Climbing Gym. You will be presented a Climb On Safely training card at the completion of the course.

- BOY201 Strictly For Scoutmasters:** An all-day course for Scoutmasters, ASMs and those soon to be in this role. Learn from the best - other Scoutmasters. This is an interactive course designed to deal with all the most difficult issues facing Scoutmasters today. Bring your problems, leave a confidence and excitement you can share with your troop and its SPL.
- BOY202 Boy Led Troops:** The Patrol Method. The Patrol Leaders' Council. BSA's Troop Leadership Training with special emphasis on how to conduct this training in your troop.
- BOY203 Developing Troop By-Laws and Codes of Conduct:** Beginning points of governance begin with policies and guidelines such as by-laws and codes of conduct. Who should have input? What should be included?
- BOY204 The New Scout Patrol:** Everyone does it differently. Hear how different ideas work in other troops. Come and share your ideas and pick up some new ones.
- BOY205 Merit Badge Counseling 101:** Running a merit badge course is more than completing a worksheet or reading a manual. This will show the steps and expected involvement of a counselor.
- BOY207 Get on the Cutting EDGE:** Top down leadership doesn't work, even the military is moving away from it. Understand the leadership skills your youth leaders are learning at NYLT with the Leading EDGE/Teaching EDGE.
- BOY208 Meaningful Scoutmaster Conferences:** These can be intimidating for Scoutmasters as well as Scouts. What to ask, what to say, what to do, how to get the most out of this conversation. Great for Assistant Scoutmasters, too; or anyone else who works with Scouts.
- BOY209 First Year Parent Orientation and Engagement:** Your first year parents are either very new to scouting or bringing their expectations from Cub Scouts. Setting the tone and getting them engaged correctly will help both the Scout and the troop.
- BOY211 Basic Shooting Sports Safety:** Shooting sports programs are popular activities for Scouts of all ages, and the Boy Scouts of America adheres to its long-standing policy of teaching its youth and adult members safe, responsible, and intelligent ways to handle, care for, and use archery, shotguns, air rifles, rimfire, and BB guns in planned, carefully managed, and supervised programs. This does not provide NRA certifications.
- BOY213 Camping within 2 hours of the Dallas Area:** Is your troop tired of driving for hours to camp once a month? Come and share your ideas about places that can be easily reached in two hours.
- BOY214 Troop Medical Emergency Preparedness:** We pray it never happens but you have to be prepared for when it does. Here's how.
- BOY215 Winter Camping:** Learn to prepare for and enjoy the winter camping experience. Topics will include clothing, safety, sleeping systems, and improvised shelters.
- BOY216 Water Filters and Purifiers:** This session clears up misunderstandings of water filters and purifiers. We show examples of water filters, how they work and try to clear up any misconceptions of each method and what they really do. This class includes a handout with pump help, hint list and includes information on different types of filters and purifiers on the market.
- BOY218 Fishing Programs for Troops:** Learn how to incorporate fishing into your yearly program to retain Scouts, attract Scouts and increase your parent involvement. Learn also about special awards offered by the BSA for fishing and advanced fishing related training for Scouters.
- BOY220 Beginning Map and Compass Reading:** Learn to orient a map with a compass and prepare a compass course. Bring your own compass.
- BOY221 Skill Games Used to Teach Scouting Skills:** If Scouting is a game with a purpose, why aren't we having fun at our troop meetings or training sessions? This class will explore ways to make Scouting more fun and interesting for the boys (and adults) while teaching Scouting skills. Inter-patrol activities, contests, competitions, games, and Troop outings will be discussed and demonstrated.
