*Electronic devices may not be used during the course. Cell phones are allowed but must be turned off or silenced to prevent disruption during course activities. Calls are only allowed during personal free time. Wi-Fi internet is available around the Philmont Training Center for use with your Wi-Fi enabled laptop.*

### Bears

Because Philmont is in bear country, there are several precautions that must be taken. Complete information is available on the Wood Badge 126 web site (<http://circleten.org/wood-badge-126>) and will be discussed upon arrival at Philmont. When gathering your gear for the trip, please purchase unscented items as noted on the check list. You should also bring several "zip lock" style bags to store smellables.

<sup>1</sup> An official uniform is the uniform for your current Scouting position. It includes the official BSA Scout shirt; shoulder loops; BSA shorts, long/short pants, skirt or culottes; BSA socks; and BSA leather or web belt. Please do not wear the BSA white activity socks.

<sup>2</sup> An activity uniform is the exact same as your field uniform except you will wear the WB-126 course activity t-shirt instead of your BSA program shirt. Additional short sleeve activity shirts will be available for purchase. It is recommended that at least one additional shirt be purchased.

Please note that open toe shoes are not permitted.
